DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on September 21, 2005. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

The information disclosure did not affect the allowability of the claims thereby claim(s) 21-40 are allowable.

Allowable

2. **Claims 21-40** are allowed.

3. The following is an examiner's statement of reasons for allowance:

Regarding **claims 21, 28 and 35**, the prior art of record fails to disclose or specifically suggested a method of determining at the intelligent routing module, if a recorded audio message is received from the calling party, then sending the recorded audio message to a called party identification device, if no recorded audio message is received, determining if the directory number associates with the call matches the directory number associated with a pre-recorded audio message, if so, then sending the pre-recorded audio message to the called party identification device, if the directory number does not match, then causing the intelligent routing module to synthesize and send an audio message related to the caller identification information to the called party
